 thomas.sbrwb@gmail.com

 +1 416 388-3755

EDUCATION

HATCHWAYS

Software Developer Co-op Program
2021

MACQUARIE UNIVERSITY

Bachelor of Commerce - Professional Accounting
2014 - 2017

PROJECTS

ABN Validator

Python, Django, Bootstrap

[Live Site](#) | [Code](#)

- Application that checks whether the Australian Business Numbers (ABNs) in a provided spreadsheet are valid.
- Created to automate an audit test in my prior role as an auditor.

Cimex: Bug Tracker

React, Redux, Node.js / Express.js, MongoDB, Sass

[Live Site](#) | [Code](#)

- Full stack project management application that allows users to manage projects, track issues, and collaborate with others.
- Created to keep track of bugs in my development projects.

Loving Sitter

React, Node.js / Express.js, MongoDB, Socket.io, MaterialUI

[Live Site](#) | [Code](#)

- Airbnb-style application that connects dog owners with dog sitters.
- Collaborated on this application as part of the hatchways co-op program.

WORK EXPERIENCE

PKF Newcastle

Analyst / Audit & Assurance

Sep 2018 - Dec 2019

- Performed data analytics using Excel and IDEA Audit Software.
- Tested financial documents for compliance with financial standards and regulations.
- Liaised with clients and audit team throughout the entire audit cycle.
- Documented audit tests and findings.
- Prepared audit reports and financial statements.
- Performed internal audits to identify policy compliance and control issues and made recommendations to improve client's internal policies.

Sanitarium Health & Wellbeing

Accounting Intern

Jan 2016 - Dec 2016

- Used SAP ERP Software to process journal entries.
- Completed weekly wage reports
- Did freight invoicing and cost allocations
- Completed month-end logistics reconciliations and reporting.

Tech Centa Pty Ltd

Retail Sales Assistant

MAY 2015 - Feb 2017

- Delivered information and advice on the company's products to customers and helped them identify the products that best suited their needs.

OTHER EXPERIENCES

Volunteer Work

FEB 2017 - JUL 2018

- Took time off to travel through Europe, North Africa and the United States after completing university degree.
- Undertook volunteer work through 'WorkAway' - a platform that facilitates cultural exchange.
- Work ranged from working on an olive farm in Morocco to creating a picture dictionary in Greece.
- Learned to work in challenging environments under unfamiliar situations, to overcome cultural barriers with unfamiliar groups of people, and how to adapt to unexpected situations and improvise when plans change.
